

NCS ALBUM 1950 ORIGINAL

NCS Album gives you an excellent illustration of the NCS system with all the 1 950 NCS standard colour samples to work with. For each of the 40 hues of the NCS Colour Circle there is a double page with the NCS Colour Triangle. In addition there is a page of pure and tinted greys. Each of the 1 950 NCS colours are represented by a set of 3 x A9 NCS samples tucked into pockets on the page. The NCS Album is the ultimate colour sample collection for use where colour samples are required for immediate use to compare to each other, edge match and attach to drawings. Separate samples can be ordered.
