WATER TESTING INSTRUMENTS

We can supply you, “whatever a laboratory can need” which will receive our best & prompt attention.

CALIBRATION LABORATORY AT OUR SHOWROOM

We have facilities to calibrate various instruments
at our end traceable to International Standards viz.

- Brookfield Viscometer
- Colorimeter
- Colour Spectrophotometer
- Conductivity Meter
- Cone & Plate Viscometer
- Dry Film Coating Thickness Gauge
- Durometer Shore Thickness Gauge
- Film Applicators
- Flow Cups
- Glossmeter (Digital)
- Hegman Gauge
- Holiday Detector
- Moisture Balance
- Opacity Reflectometer
- Paint Sprayability Meter (E.R. Meter)
- Pendulum Hardness Tester
- PH Meter
- Rototripper ( Digital)
- Specific Gravity cup
- Stormer Krebs Viscometer ( Digital)
- Surface Profile Gauge
- T.T.R. Oven Temp. Recording System
- Taber Abraser
- Thermometers
- Ultrasonic Coating Thickness Gauge
- Ultrasonic Metal Thickness Gauge
- Weighing Balance
- Whirling & Sling Hygrometer

And Many More....
